

## Building stronger communities.

We believe in helping all people reach their full potential. For over 120 years, our work continues to touch the mind, body, heart—and ultimately the spirit—of those we serve. As a national, non-profit, faith-based organization, Volunteers of America helps nearly 1.3 million people across the country—more than 23,000 in Ohio and Indiana.

Veterans Services | Behavioral Health | Residential Reentry | Housing Services | Community Enrichment
