

Impact Report

Volunteers of America's mission is to transform lives and help people reach their full potential by offering hope and restoring dignity. Our vision is a world where all people live in safety, with social, emotional and physical well-being, spiritual fulfillment, justice and hope.

10,986

people accessed health, housing, and human services.

3,142 veterans rebuilt their lives with shelter, housing, employment, life-skills, and behavioral health care to prevent or end homelessness.

1,879 people accessed behavioral health services through treatment, tools, and a safe space to begin their journey to well-being.

386 people overcame homelessness with the tools they needed to thrive in affordable and supportive housing.

2,811 people in crisis received food and clothing to help them achieve and maintain well-being.

2,868 men and women returned home after incarceration receiving help with life-skills, counseling, employment, and housing.

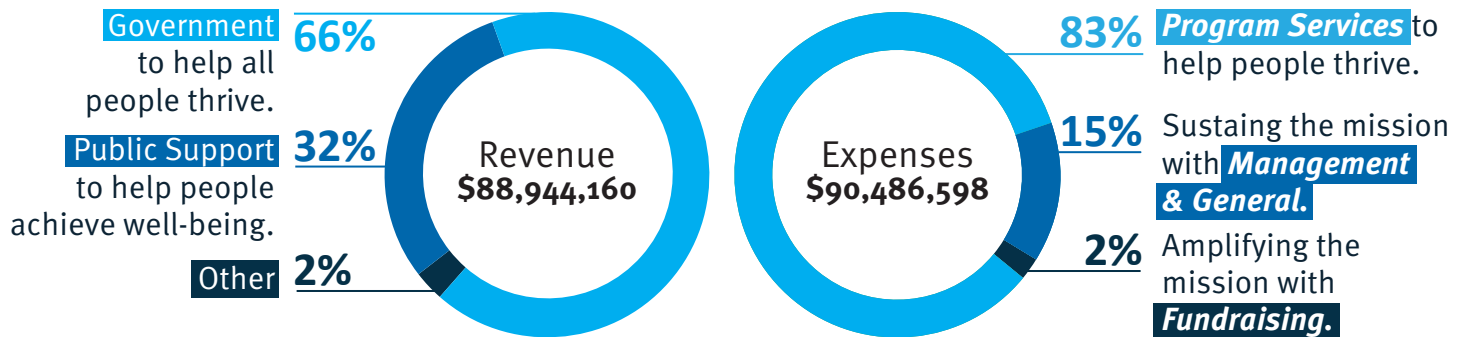

Uplifting
lives
together.

How we work *together* to build healthy communities for all:
