

Impact Report 2025

Volunteers of America's mission is to offer hope, restore dignity, and transform lives. We envision a world where all people live safely with social, emotional and physical well-being, spiritual fulfillment, justice, and hope.

18,392

people accessed health, housing, and human services.

3,109 veterans rebuilt their lives with shelter, housing, employment, life-skills, and behavioral health care to prevent or end or end homelessness.

2,512 people accessed behavioral & mental health services through treatment, tools, and a safe space to begin their journey to well-being.

4,363 individuals & families in crisis received food, clothing, and housing assistance to help them achieve and maintain well-being.

156 individuals living & thriving in service-enriched permanent housing.

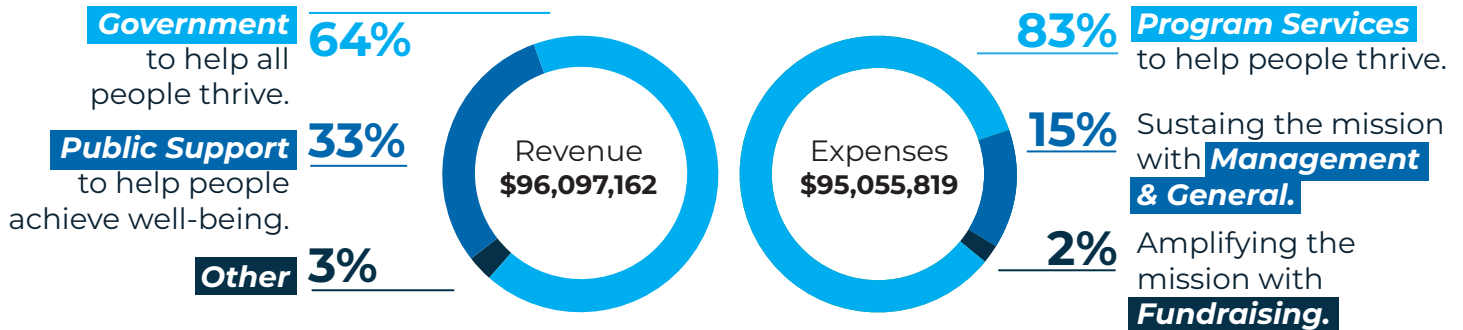

2,491 men & women returned home after incarceration receiving help with life-skills, counseling, employment, and housing.

5,761 children received backpacks & school supplies to give them a confident start to the school year.

How we work **together** to build healthy communities for all:
